

# LIFETIME GIVING

Since its establishment in 1994, the Newberry Opera House Foundation has been enriched by the gifts of generous patrons, community leaders, corporations and foundations that believe in the value of the Newberry Opera House experience. Our Giving Societies celebrate the Foundation's most dedicated and generous donors.

Membership in a Lifetime Giving Society is the Newberry Opera House's most prestigious recognition for the generosity of donors who have a vital role in sharing our future. Membership is based on cumulative giving. These societies recognize levels of individual lifetime cumulative giving, beginning with a total of \$10,000.
